

Paddlemania: Blast to the Bridge Race Registration

Thanks for your interest in participating in the Blast to the Bridge Race. Before registering please take the following into consideration:

- 1) You MUST have paddling experience on the Lower St. Louis River prior to the race. Many racers do a morning paddle the day of the race.
- 2) Paddling class IV to V rapids is dangerous. You and you are alone are responsible for your actions. Do not register to race unless you accept this.
- 3) You must be at the starting line in time to race and attend the racers safety meeting 30 minutes prior to the start.
- 4) Best time wins. Racers will launch every minute. The race begins from the eddy on river right above the "Tongue Drop." The finish line is the 'Swinging Bridge.'
- 5) In order to have a fare race, and for safety considerations, your boat must be a traditional creek boat design less than nine feet long.
- 6) For race insurance purposes, you must be an ACA member, or pay a one-day membership for \$5
- 7) Awards will be given out at the evening BBQ around 6:30 pm. Free food for racers and volunteers.
